Village Visit to Naganadhi For Tuberculosis and Cleanliness Awareness By Rotaract Club of GTEC.

The Rotaract Club of GTEC visited Naganadhi village in vellore district on July 25th 2015, to create awareness among the villagers about clean India, tuberculosis free India and sanitation installation.

It was organized by the co-ordinator of Rotaract club Mr.D.Duraikumar [HOD-IT].

A team of 45 Rotaractors from all departments along with the co-ordinator departed from the college at 10am.

The entire team gathered at the elementary school of Naganadhi and performed many programs such as speech on tuberculosis awareness, slide show and advice was given to the villagers to follow the steps to lead a healthy life.

The Rotaract members actively involved in cleaning the area around the school and advised to keep their village clean.They also were advised not to use plastics.

The entire program was co-ordinated by Prof.D.Duraikumar HOD-IT,Coordinator of Rotaract Club GTEC.
