

TWO DAYS WORKSHOP OF ARDUINO BASED DESIGNS

Department of Electronics and Communication Engineering - IEEE Communication Society of GTEC in association with **SKM Electronics** organized a **TWO DAYS WORKSHOP ON ARDUINO BASED DESIGNS** on 11th and 12th March 2016. A total of 55 students and 20 faculty members participated in the workshop. **Mr.V.Gopi, CEO of SKM Electronics**, Tirrupattur was invited as the resource person. **Prof.A.Manimegalai, HOD/ECE and IEEE student chapter coordinator** of GTEC addressed the gathering and honored the chief guest. Then the session was handed over to Mr.Gopi.

He interacted with the students and gave introduction about the Arduino and its evolution. Later he conducted practical session and enriched the students about interfacing Arduino with many other devices like **LED, LCD, GSM, GPS, and SENSOR**. He also conducted a contest for the students and the winners were given prizes.

On 12th march at 4.00 P.M. the valedictory function was held and **Dr.R.Varadharajan, Principal, GTEC** addressed the gathering and distributed certificates to the participants. Finally Vote of Thanks was proposed by **Mrs.T.Sudha activity coordinator of IEEE Student branch, GTEC**.

Explanation on Arduino was given by Mr.V.Gopi, CEO of SKM Electronics, Tirupathur.

On Valedictory function.

Honorable Principal Dr.R.Varadharajan, distributed the certificates to the participants.
